DELIVERIES/CALENDAR CHANGE

You may have received the delivery schedule with incorrect dates. I've updated them on our webpage, and here they are on the following page of this memo. PLEASE put your materials in the designated pick-up spot at your school on the day of delivery. I'm sure you can imagine the frustration of taking the time to drive to your site, only to find that the materials are not there. If you need an extension of your due date, simply call or e-mail.

CALIFORNIA STREAMING'S FACELIFT

Have you visited CaliforniaStreaming lately? If you've used this digital streaming resource before, you'll notice a change in it's look. You still have access to the same great California standards based content, but in a much more slick design. Check it out again, or if you're a first time user contact Anna for your passcode. I think you'll be impressed! You can access CaliforniaStreaming from the Library Media Center's [webpage](#) (scroll down) or www.californiastreaming.org.

TECHTOOLS

The first training in the TechTools series begins Wednesday, September 8th at the Learning Center North from 3:30-5:00. The session will be on basic PowerPoint. The schedule for additional sessions can be found on the Library Media Center webpage. Call or e-mail Anna to sign up. Yes, they are FREE!

LIBRARY MEDIA CENTER STATS

- 17,259 books
- 2,568 videos and DVD's
- 191 Audio books, 37 thematic units, 143 books sets
- Art prints, software and models
- Access to digital streaming video (CAStreaming) and research database (EBSCO)
- FREE, monthly technology trainings
- and more!

...all available for YOU to check out!!!
