LEA Conference Call  
May 8, 2018  

Agenda Items  

1. LEA Coordinator Follow-up with TSP’s Regarding Overdue Moments  
   • The LEC is experiencing difficulty getting responses from coordinators  
   • Increase in overdue moments throughout Region 2  
   • Coreen is willing to assist with TSP or coordinator training if necessary  

2. TSP’s with Paid Time Off vs. Not Working/Not Paid, etc.  
   • There appears to be confusion with our TSP’s on the difference between paid/unpaid time off  

3. Notification Timeframe for RMTS (0/2 Notification)  
   • Notifications currently are sent five days prior to moment and the TSP has five days to respond  
   • CMS is proposing a zero-day notification and two days to respond to the moment  
   • DHCS, along with County Superintendent of Schools are standing in support of negotiating a compromise/pushback in this proposal  

LEA Conference Calls will resume next school year. A schedule will be emailed to everyone after the school year begins.
