

**SB 754 Economic Impact Aid Funding
Annual Report
Glenn County Office of Education**

<p>Economic Impact Aid (EIA) funding provides supplemental funding to support additional programs and services for English learners and economically disadvantaged students. Districts are required to prepare an allocation plan each year, which shows how funds are distributed based on "need." There are a variety of options for the allocation plans including allocating based on grade spans, differential amounts based on the demographics of each site, and/or splitting funds between EIA-State Compensatory Education (SCE) for disadvantaged students and EIA-Limited English Proficient (LEP).</p>

Explanation of why all of the funds have not been expended.	<p>Anticipating significant budget cuts at the state level, funds from 2011-12 and 2012-13 were not released to sites. Additionally, budget priorities are being evaluated and carry over funds will be allocated on a priority basis to best meet the needs of our students.</p>
