MEMORANDUM OF UNDERSTANDING
Between
Orland Unified School District
And
Glenn County Office of Education

Purpose:
This Memorandum of Understanding (MOU) establishes a formal working relationship between Orland Unified School District (OUSD) and Glenn County Office of Education (GCOE) acting as partners in the delivery Special Education Educationally Related Mental Health Services (ERMHS). The purpose of this MOU is to clearly identify the roles and responsibilities of each party as they relate to the implementation of these services. Both parties will ensure that the programs are conducted in compliance with all laws, rules and regulations.

Description of Services:
Identified students with special needs on IEPs at Orland Unified School District will receive Educationally Related Mental Health Counseling Services by a School Psychologist prior to being considered for Tier III Intensive Clinician Services.

Glenn County Office of Education will agree to:
- Provide $36,200 annually to contribute toward funding a .4 FTE Psychologist (as long as designated funds are available).

Orland Unified School District will agree to:
- Provide a Psychologist to deliver Educationally Related Mental Health Counseling Services to students
- Collaborate with the ERMHS clinicians for support
- Send a representative to the Related Services Team weekly meetings

Both parties shall share in the development, implementation, monitoring and evaluation of the ERMHS model while providing mentoring, guidance and professional development of those involved.

Terms
The terms of this MOU shall be for the 2016-17 school year. The model and MOU will be reviewed during the second semester of the 2016-17 school year. At that time a decision will be made whether to continue the services as-is, revise or discontinue the model and MOU.

Ken Geisick, Superintendent
Orland Unified School District
Date 1/9/17

Vicki M. Shadd, SELPA Director/Assistant Superintendent of Student Services
Date 1/23/17
