4.0 Agenda Items
4.1 Budget Reports for SELPA: Emmett phoned in at 10:07 am –
   Discussion regarding how the committee would like to see the fiscal reports each month. Angie presented the
   Fiscal 26 and the Fiscal 01 sorted by Goal Function Object. All think Escape is going to be clear, and we will be
   able to dig into the details if needed. It was agreed to bring the Fiscal 26 and the Fiscal 01 to the Fiscal
   Governance meetings.

   Jim stated: This committee can have discussion and bring items to the Governance meetings and wanted to
   know what we should take to the next meeting.
   - Jeremy asked Tracey about the investigation into indirect he had stated he would bring back to next meeting.
     Jeremy would like something directly from Tracey about how, and why the indirect is charged. He would like to
     use this meeting to dive into the indirect costs and why we do what we do at the County Office.
   - Vic would like clarity for OUSD as to why the indirect is done the way it is and if this is truly what we need.
   - All members would like to get some information on the indirect process - possible standing agenda on each
     meeting and give updates as we have more information. They would like this to take place before the end of the
     year (prior to Tracey leaving). Possibly at the October Fiscal Meeting.
