ATTENDANCE MATTERS

Missing a day of school here and there may not seem like much but absences add up!

18 OR MORE DAYS
- Excused and unexcused absences represent lost time in the classroom and lost opportunities to learn.
- Missing just one day every two weeks can add up to 18 days in a year. Absences add up before you even know it.

10 TO 17 DAYS
- Students who are absent an average of 15 days a year miss a year's worth of school before their senior year.
- When students miss a day of school it actually puts them two days behind their classmates.

9 OR FEWER ABSENCES
- Students with good attendance generally achieve higher grades and enjoy school more.
- Children benefit and make the most of their educational opportunities if they attend school regularly and on time.
