Transition Partnership Program (TPP)
2022-2023

Prepared by
Mark A. Duff, M.A.
GCOE Transition Specialist
mduff@glenncoe.org
[cell 530-517-1583](tel:530-517-1583)

TPP is a partnership with California's Department of Rehabilitation (DOR) to support students with disabilities 16-21 yrs. old to gain and retain pre-employment skills to help them transition to work.

Who?

GCOE

Mark Duff- Transition Specialist

Cora Dais (McIntyre) – Placement Specialist

DOR- Chico Office

Sierra Schmidt-Vocational Counselor

What?

Student Services

1. Job Exploration Counseling
 - Industry/Business Tours and Guest Speakers
2. Work-Based Learning Experiences
 - 12th grade-300 hour paid work experience at \$15.50 per hour minimum wage = \$4,650.00
 - Industry/Business Tours
3. Counseling Related to Post-Secondary Opportunities
 - Includes College and Vocational training tours, Butte College DSP&S visits
4. Workplace Readiness Training
 - Senior Checklist -also needed for senior graduation such as career research, resume, cover letter, job application, letter of recommendations, and mock interview.
5. Self-Advocacy Training
 - Helping students advocate at IEPs, worksites and connecting with support at College

When?

11th grade

- Complete TPP enrollment forms during Spring semester with Mark (GCOE). Student then participates in the program until graduation or no longer enrolled.
- Students will complete career assessment and career research during the school day.
- TPP staff will work with students during their school day in supported study or electives.

12th grade

- Seniors should be enrolled in TPP prior to the beginning of their senior year. If not, they will need to enroll to receive services.
- TPP seniors at the three larger high schools and the adult transition class will be enrolled in "Match Class/Senior Transition". During these classes TPP staff will offer the five Student Services above as a group and/or individually as needed.
- Smaller schools and Alternative Ed TPP staff schedule visits to offer the services during supported study or electives but much will be done independently.
- Seniors complete the attached checklist to earn a 300 paid TPP work experience. Note- These items are also required for senior portfolios/ projects at the various high schools as well as they can use TPP items as a rough draft for senior projects/portfolios.

TPP staff also attend junior, senior and adult transition IEPs across Glenn County to discuss the program and share students' progress with parents/guardians.

TPP Senior Checklist

Name _____

Steps for 300 hour paid Work Experience (WEX)= **\$4,650**

1. Complete ALL items below and have them verified by Mark Duff, he will then request authorization.
2. You will then be given a GCOE payroll packet (complete in blue or black ink only). It must have all parent/student signatures, include all documents such as a work permit (if under 18).
3. When payroll is complete, Mark Duff will submit to GCOE payroll for clearance to work.
4. Once you clear payroll then Cora Dais will develop/secure a worksite from student's list of five choices. Her cell is 530-514-3600.
5. Set a schedule with worksite. Write down hours worked every day, keep track of your hours. If you exceed 100 hours you will NOT be paid for any hours above 100.

WorkAbility Report
2022-2023

Prepared by
Cari Berlin
WorkAbility Specialist
cberlin@glenncoe.org

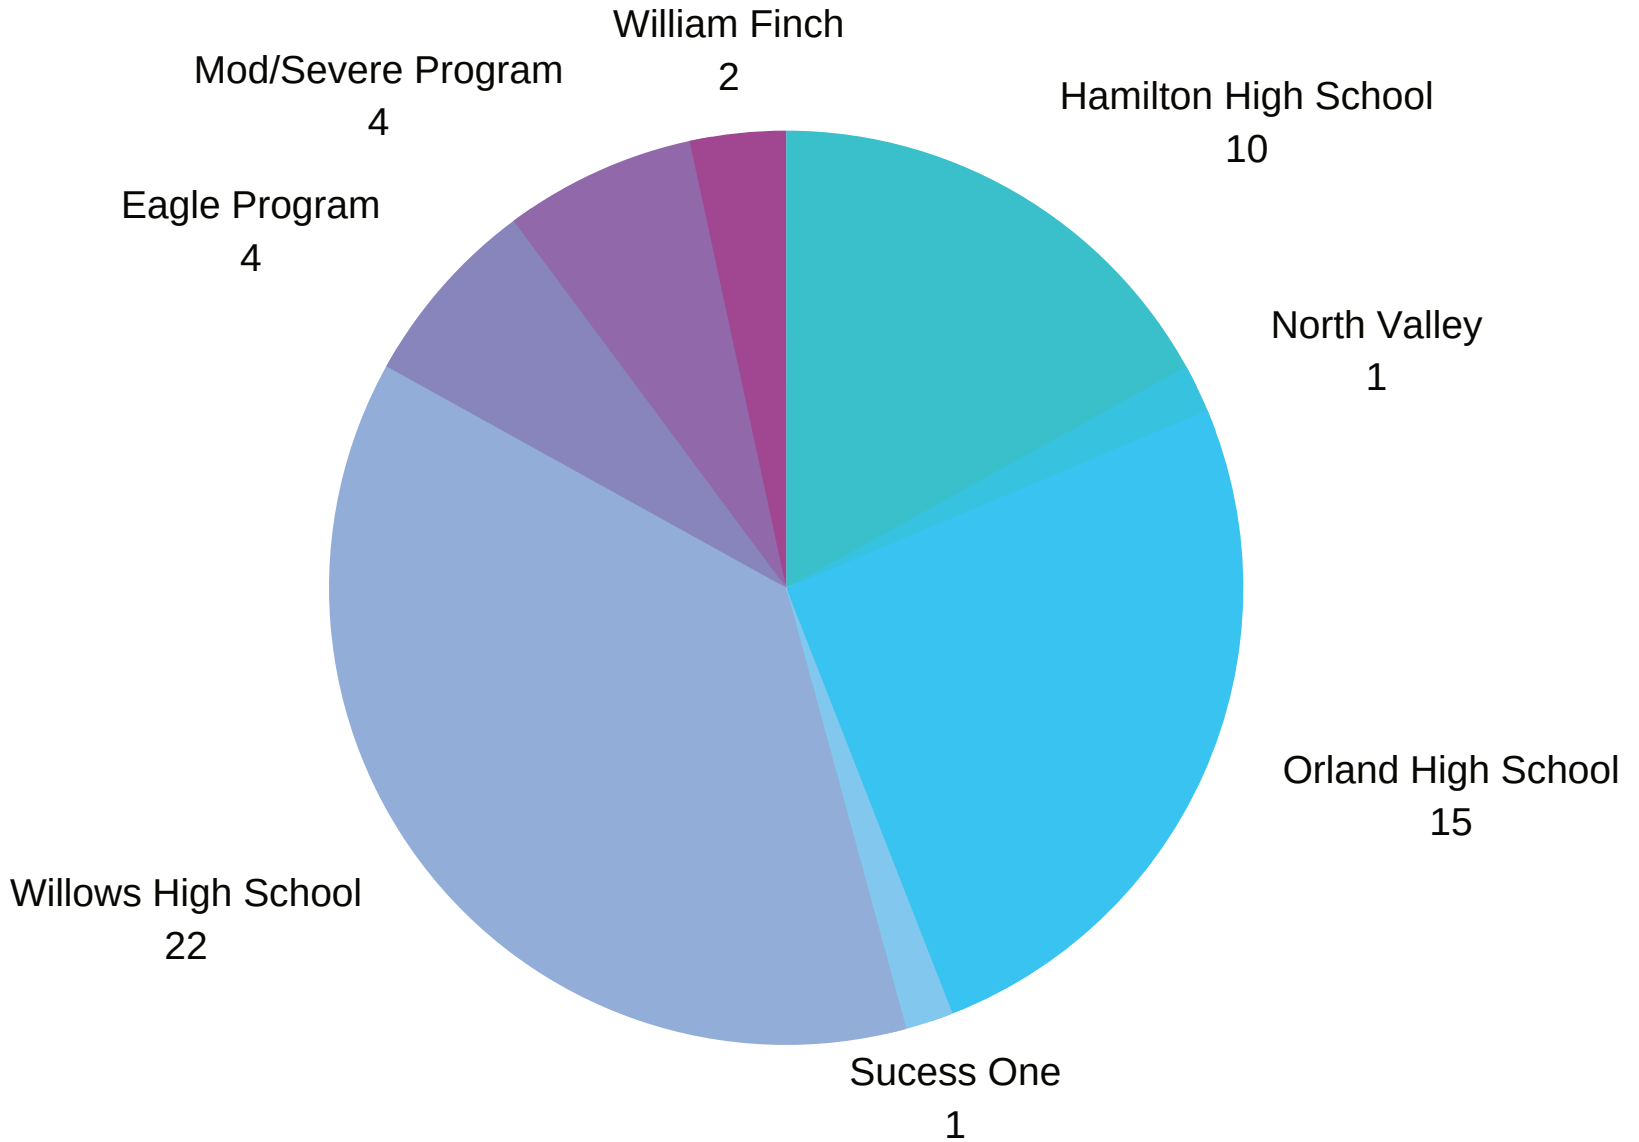

What is WorkAbility

WorkAbility is a grant funded program through the California Department of Education, to provide transition services to students with Individual Education Plans (IEP) in order for them explore careers, prepare for work, internships, and/or postsecondary education before they graduate. Glenn County has both a middle and high school program that service students from the 7th grade though our 18-22 year old Transition program. The program enables students to acquire real life skills in work and community-based projects, and increases their overall success in finding competitive integrated employment in the future. Middle school activities include career exploration, guest speakers, industrial tours, and career pathway exploration activities. In high school we include opportunities for pre-employment skills instruction, continued pathway exploration, independent living skills training, and subsidized job placements in the area of student interest.

In the 2022/23 School Year WorkAbility served 115 Middle School Students & 238 High School though age 22 year old students.

2022-2023 WAI Student Placements

59 Students Placed

No Elk Creek or Princeton Placements last school year
